Independent Auditors' Report

The Board of Directors
Community Loan Fund of New Jersey, Inc. and Subsidiaries

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Community Loan Fund of New Jersey, Inc. and its subsidiaries (the Organization), which comprise the consolidated statements of financial position as of September 30, 2024 and 2023, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Organization as of September 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 2(u) to the consolidated financial statements, the Organization adopted Accounting Standards Update No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, during the year ended September 30, 2024. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2025 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

In 2018, CAPC AMG, LLC (CAPC AMG) was formed to enter into an investment and asset management agreement with CAPC USA. CAPC has a 100.00% ownership interest in CAPC AMG, and this entity is included in the Organization's consolidated financial statements.

In 2018, CAPC acquired 100.00% interest in National Community Capital Fund Tampa #1, LLC (Tampa #1). In prior years, CAPC was the managing member but had no ownership interest. This entity is included in the Organization's consolidated financial statements. There was no activity in 2023 or 2024.

In 2017, CAPC had a 100.00% ownership interest in CAPC NJ Asset Stabilization Fund #1 LLC (CAPC ASF #1). During 2018, Synchrony Bank acquired a 19.97% ownership interest in CAPC ASF #1. This entity is included in the Organization's consolidated financial statements.

In 2018, CAPC Asset Stabilization Fund 2 LLC (CAPC ASF #2) was created. CAPC has a 52.89% ownership interest, CLFNJ has a 27.17% interest and Synchrony Bank has a 19.94% ownership interest. This entity is included in the Organization's consolidated financial statements.

In 2018, CAPC invested, along with three other Housing Partnership Network, Inc. members, in a partnership called HPN Leverage IV, LLC to take advantage of New Market Tax Credit (NMTC) financing. NMTC financing allows an entity to receive a loan or investment capital from outside investors who will receive new market tax credits to be applied against their federal tax liability. As a result, CAPC invested \$8,222,118 to acquire a 40.00% ownership interest in the partnership and was able to secure a 20-year loan in the amount of \$11,700,000 payable to a community development entity. The loan proceeds are to be used for the purpose of acquiring, rehabilitating or constructing homes in distressed communities in New Jersey and Florida. Since the other members have substantive rights, these entities are accounted for using the equity method.

In 2023, CAPC invested, along with two other Housing Partnership Network, Inc. members, in a partnership called HPN Leverage VIII, LLC to take advantage of New Market Tax Credit (NMTC) financing. NMTC financing allows an entity to receive a loan or investment capital from outside investors who will receive new market tax credits to be applied against their federal tax liability. As a result, CAPC invested \$5,518,400 to acquire a 33.33% ownership interest in the partnership and was able to secure a 20-year loan in the amount of \$7,760,000 payable to a community development entity. The loan proceeds are to be used for the purpose of acquiring, rehabilitating or constructing homes in distressed communities in New Jersey. Since the other members have substantive rights, these entities are accounted for using the equity method.

In November 2018, Parramore Assets Stabilization Fund, LLC was formed for the purpose to acquire, stabilize, rehabilitate, lease and sell 45 distressed rental properties consisting of 86 units in the Parramore section of Orlando Florida. NJCC is the managing member and the tax matters partner. CLFNJ has a 33.33% ownership interest and will serve as the investment and asset manager in the joint venture with two (2) other nonprofit entities. The Organization accounts for this entity using the equity method.

In 2018, CLFNJ formed NJCC Fund #5, LLC (Fund #5) with PRP to purchase residential mortgage loans in 10 states. CLFNJ and PRP have a 1.98% and 98.02% ownership interest, respectively, in Fund #5. At the same time Community Aggregator Asset Management Group, LLC was formed in an initiative with three (3) other entities to manage the assets of the loan pool. CLFNJ and NCC III each have a 25.00% ownership interest in this entity. Since the other members have substantive rights, accordingly, these entities are accounted for using the equity method.

In 2017, CLFNJ formed NJCC MM Invest LLC (NJCC MM) in an initiative with PRP Holdings LP (PRP) to join in a venture with the State of New York's Department of Homes and Community Development (SONYMA Community Restoration Fund) to purchase residential mortgage loans in New York State (NYS). CLFNJ has a 5.00% ownership interest in NJCC MM. NJCC MM has a 56.73% investment in NJCC-NYS Community Restoration Fund, LLC (NJCC-NYS CRF) and a 6.19% investment in NJCC-NYS Erie County Community Restoration Fund, LLC (Erie CRF). Also in 2017, CLFNJ formed NJCC Fund #4, LLC (Fund #4) with PRP to purchase residential mortgage loans in New Jersey. CLFNJ has a 10.00% ownership interest in Fund #4. Since the other members have substantive rights, accordingly, these entities are accounted for using the equity method.

In 2016, LMI invested \$2,000,000 to purchase 10.00% of the outstanding shares in CUMAnet, LLC (CUMAnet) from Affinity Credit Union. The purpose of this investment was to support the provision of affordable mortgages to low- and moderate-income families in New Jersey. CUMAnet was accounted for using the cost method. In 2023, LMI sold its investment in CUMAnet at a loss of approximately \$600,000.

In 2023, 151 MLK acquired 99.00% interest in 306 MLK Master Tenant LLC (306 MLK Master). This entity is included in the Organization's consolidated financial statements.

CLFNJ has formed the following special purpose entities (SPEs): NJCC CDE Ocean LLC, NJCC CDE Camden LLC, NJCC CDE Passaic LLC, NJCC CDE Cumberland LLC, NJCC CDE Monmouth LLC, NJCC CDE Campbell LLC and NJCC CDE Wilson LLC (collectively as NMTC IV); NJCC CDE Edison LLC, NJCC CDE Hamilton LLC, NJCC CDE Kilmer LLC, NJCC CDE Livingston LLC, NJCC CDE Morris LLC and NJCC CDE Eagleton LLC (collectively as NMTC V); NJCC CDE Barton LLC, NJCC CDE Stockton LLC, NJCC CDE Parker LLC, NJCC CDE Amos LLC, NJCC CDE Robeson LLC and NJCC CDE Whitman LLC (collectively as NMTC VI); NJCC CDE Houston LLC, NJCC CDE Field LLC, NJCC CDE Peterson LLC, NJCC CDE Salem LLC, NJCC CDE Grimesfarm LLC, NJCC CDE 43 LLC, NJCC CDE 45 LLC and NJCC CDE 46 LLC (collectively as NMTC VII and VIII) and NJCC CDE 42 LLC, NJCC CDE 44 LLC and NJCC CDE 47 LLC (collectively as NMTC IX). CLFNJ serves as the managing member of each of the SPEs. The limited partners in the SPEs have substantive participating rights, and accordingly, the SPEs are accounted for using the equity method.

NJCC CDE 48 LLC, NJCC CDE 49 LLC, NJCC CDE 50, and NJCC CDE 51 LLC were formed in 2023. These entities have yet to be assigned an NMTC allocation.

Operating Divisions

CLFNJ has aligned its operations into several operating divisions: Community Loan Fund, Proprietary Managed Assets, Third Party Managed Assets, NMTC IV, V, VI VII, VIII and IX, University Ventures, CAPC, and Restart and Restart the Shore. A discussion of each follows:

Community Loan Fund

Community Loan Fund provides financing and technical assistance to three primary sectors: housing, community services, and businesses. To maximize its impact, Community Loan Fund provides flexible and creative financing through a broad spectrum of credit offerings to customers who either lack access to capital or cannot afford the cost of capital from conventional sources.

Proprietary Managed Assets

Proprietary Managed Assets include loan pools developed by CLFNJ and targeted to specialized sectors as follows:

(a) *Neighborhood Prosperity Fund*

The purpose of the Neighborhood Prosperity Fund (NPF) is to provide a permanent, flexible source of lending capital for high-impact neighborhood stabilization projects in areas of economic distress. As a revolving loan fund, the capital will be recycled for developers of such projects to continually acquire, renovate, and place troubled properties back on the market.

(b) *Charter Fund*

The purpose of the Charter Fund is to credit enhance loans, leases, and investments made on behalf of charter schools for their facility needs.

(c) *ReBuild Fund*

In 2013, the Organization formed the ReBuild Fund to provide quick access to low-interest capital to small businesses in New Jersey that were impacted by Hurricane Sandy.

(d) *Camden POWER (Camden Fund)*

The Camden Power pool was developed to provide lending capital to eligible business establishments in Camden for the purpose of energy efficiency and health and life safety improvements. CLFNJ received grants and advances from the City of Camden and the NJEDA to fund this pool.

Third Party Managed Assets

Third Party Managed Assets include loan pools administered by CLFNJ.

(a) *Sustainable Employment and Economic Development Loan Program (SEED Fund)*

During 2000, CLFNJ successfully submitted a proposal to manage a pre-development loan pool for community economic development projects sponsored by nonprofit organizations and community development corporations. The program is managed on behalf of the Housing and Community

Development Network of New Jersey, a trade association serving the community development corporation sector. CLFNJ services and administers the program on behalf of the Housing and Community Development Network of New Jersey.

(b) Asbury Park Urban Enterprise Zone Revolving Loan Fund

In 2003, the City of Asbury Park's Urban Enterprise Zone (UEZ) announced a revolving microloan program with certain services provided by CLFNJ. The program is established to provide low-interest-rate financial assistance of up to \$25,000 to new and established companies in Asbury Park. The UEZ entered into a contractual relationship whereby CLFNJ services and administers the program on behalf of the UEZ.

(c) Bank of America Fund (BoFA Fund)

In 2005, Bank of America capitalized a pre-development loan fund for housing and real estate initiatives. The program is established to provide low-interest-rate financial assistance to nonprofit and for-profit developers looking to create and preserve affordable housing and develop real estate in low – to moderate-income communities. CLFNJ services and administers the program on behalf of Bank of America.

(d) Thrift Institutions Community Investment Corporation of New Jersey (TICIC) Portfolio

In 2013, CLFNJ purchased the rights to service a multiple participant loan portfolio originated and previously serviced by TICIC, an affiliate of the NJ Bankers Association.

(e) Gap Funding Initiative (GFI)

The GFI was launched in 2013. It was a \$15,000,000 grant program funded by the Hurricane Sandy New Jersey Relief Fund and the American Red Cross and administered by New Jersey Community Capital. GFI offered up to \$30,000 (reduced to \$20,000 in August 2014) to help eligible homeowners cover costs of home repairs they face as a result of Hurricane Sandy. During 2019, CLFNJ disbursed \$130,000 to eligible recipients. No funds were disbursed to recipients in 2024 or 2023.

NMTC

The Organization, through SPEs for which CLFNJ is the managing member, provides investment capital and technical assistance to companies spurring revitalization efforts in New Jersey's low-income communities historically lacking access to traditional sources of capital.

As a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code), and therefore, without tax liability, CLFNJ cannot itself use New Market Tax Credits (NMTCs). In order to utilize the allocation received by CLFNJ, the Organization suballocates NMTC investment authority to various Limited Liability Companies (LLCs) organized and managed by CLFNJ. These LLCs are Community Development Entities (CDEs). The Organization seeks to suballocate NMTC investment authority to CDEs that provide investments in projects that accomplish goals consistent with the mission of the Organization.

NMTC IV

In 2015, CLFNJ received a \$50,000,000 allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the twelfth round of a national economic development initiative.

NMTC V

In 2017, CLFNJ received a \$45,000,000 allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the thirteenth round of a national economic development initiative.

NMTC VI

In 2018, CLFNJ received a \$40,000,000 allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the fourteenth round of a national economic development initiative.

NMTC VII

In 2019, CLFNJ received a \$35,000,000 allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the fifteenth round of a national economic development initiative.

NMTC VIII

In 2021, CLFNJ received a \$50,000,000 allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the seventeenth round of a national economic development initiative.

NMTC IX

In 2023, CLFNJ received a \$40,000,000 allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the eighteenth round of a national economic development initiative.

University Ventures

In 2004, CLFNJ acquired a majority interest in the nonvoting common stock (Class A) and a controlling interest in the voting common stock (Class B) of University Ventures, a specialized small businesses investment company licensed by the United States Small Business Administration. Since then, CLFNJ has increased their interests through acquisition and donation of shares. As of September 30, 2024, CLFNJ owns 99.32% of Class A stock and 94.67% of Class B stock.

University Ventures provides capital and managerial assistance to small business, specifically targeting the needs of entrepreneurs who have been denied the opportunity to own and operate a business because of social or economic disadvantage.

CAPC

In May 2010, CLFNJ became the sole member of CAPC.

CAPC was created to negotiate bulk purchases of mortgage notes, real estate owned (REO), and other properties from financial institutions and convey the properties in smaller numbers to partnering nonprofit organizations, private institutions, local government agencies, and other partners able to rehabilitate and return the property to productive use.

In 2014, CAPC began to rent renovated homes to low and moderate-income families. CAPC makes exit (rent vs. sell) decisions based on neighborhood real estate activity, surrounding blight, community stability, and local economic factors. At September 30, 2024 and 2023, CAPC had 172 and 213 properties, respectively, in rental status which are included in fixed assets with a net book value (including land) of \$40,549,811 and \$51,334,014, respectively.

ReStart and ReStart the Shore

In 2013, the Organization established its ReStart family of programs as an innovative home preservation initiative designed to prevent foreclosures and stabilize communities. The Organization won the right to purchase three pools of delinquent Federal Housing Administration (FHA) loans from the U.S. Department of Housing and Urban Development (HUD). NCCH acquired 15 mortgages of properties located in the greater Newark, New Jersey area.

In 2021, CLFNJ acquired minority interest in 1 mortgage pool. NJCC NYS CRF II acquired 70 mortgages.

In 2022, CLFNJ acquired minority interest in 1 mortgage pool. CAG Members Fund I LLC acquired 169 mortgages.

NCC II provides investment management services to NCCH. NCC II was dissolved in 2020. In NCC III provides investment management services to NJCC-NYS CRF, Erie CRF, Fund #4, Fund #5 and NJCC NYS CRF II. The Organization was also engaged as a loss mitigation advisor by other purchasers of FHA loan pools.

(2) Summary of Significant Accounting Policies

The significant accounting policies followed by the Organization are described below:

(a) Accrual Basis

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting.

(b) Basis of Presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. The net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed stipulations and net assets attributable to CLFNJ's controlling interest and noncontrolling interest in subsidiaries. In 2024, the noncontrolling interest in subsidiaries decreased by \$4,654,175, which represents the net distributions of \$3,543,291 to noncontrolling interest in subsidiaries and CLFNJ's share of the net loss (expenses over revenues) of \$1,110,884. In 2023, the noncontrolling interest in subsidiaries decreased by \$1,906,996, which represents the net distributions of \$1,743,717 to noncontrolling interest in subsidiaries and CLFNJ's share of the net loss (expenses over revenues) of \$163,279.

Net assets with donor restrictions – Either net assets subject to donor-imposed stipulations that will be met by actions of the Organization and/or the passage of time or net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. All resources granted to the NeighborWorks America Revolving Loan for housing and capital projects must be maintained permanently, unless specific approval is granted by NeighborWorks America to release a portion of the grants.

(c) Principles of Consolidation

The consolidated financial statements include the accounts of CLFNJ and its wholly-owned and majority-owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation.

(d) Cash and Cash Equivalents

Cash equivalents include short-term investments with original maturities of three (3) months or less and include money market funds that are not maintained by the investment managers.

(e) Investments

The Organization records its investments in marketable securities at fair value based on quoted prices. Program-related investments are accounted for using the cost or equity methods, as appropriate. Distributions received from program-related investments accounted for under the equity method are classified using the cumulative earnings approach. Distributions received are considered returns on investment and classified as cash inflows from operating activities.

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the consolidated statements of financial position.

AND SUBSIDIARIES**

Notes to the Consolidated Financial Statements
September 30, 2024 and 2023

(f) Loans Receivable

The Organization provides commercial and mortgage loans to entities that support the development, preservation, and operation of housing, community services, and businesses primarily in New Jersey.

Loans receivables are stated at unpaid principal balances less an allowance for credit losses. Interest on loans is recognized over the term of the loan and is calculated using the interest method on principal amounts outstanding.

The accrual of interest on loans is discontinued when loans are 90 days past due unless the credit is well secured and in process of collection. Past due status is based on the contractual terms of the loan. In all cases, loans are placed on nonaccrual status or are charged off at an earlier date if management believes, after considering economic conditions, business conditions, and collection efforts, that collection of principal or interest is considered doubtful.

All interest accrued but not collected for loans that are placed on nonaccrual status or charged off is reversed against interest income. Loans are returned to accrual status when all the principal and interest payments contractually due are brought current and future payments are reasonably assured.

(g) Troubled Debt Restructured (TDR) Loans

TDR loans are those loans whose terms have been modified because of deterioration of the financial condition of the borrower. The concessions made by the Organization are principally reductions in interest rate or extensions of maturities. In cases where the loan is collateral dependent, the Organization measures impairment as the difference between the loan and the fair value of the collateral (less cost to sell the collateral) based upon recent appraisals. In general, the Organization obtains appraisals annually.

(h) Purchased Credit Impaired (PCI) Loans

PCI loans are initially recorded at fair value based on the transaction price with no allowance for loan loss. Under Accounting Standards Codification Subtopic 310-30, *Accounting for Purchased Loans with Deteriorated Credit Quality*, the PCI loans are aggregated and accounted for as pools of loans based on common risk characteristics. The allowance for loan losses on PCI loans is measured at each financial reporting date based on future expected cash flows. This assessment and measurement is performed at the pool level and not at the individual loan level. Accordingly, decreases in expected cash flows resulting from further credit deterioration, on a pool basis, as of such measurement date compared to those originally estimated are recognized by recording a provision and allowance for credit losses on PCI loans. Subsequent increases in the expected cash flows of the loans in each pool would first reduce any allowance for loan losses on PCI loans; and any excess will be accreted prospectively as a yield adjustment. The analysis of expected cash flows for loan pools incorporates expected sale prices of foreclosed property less costs to sell, and estimated principal and interests on the loans prior to foreclosure. Actual cash flows could differ from those expected. The difference between the undiscounted cash flows expected at acquisition and the investment in the PCI loans (the carrying value), or the "accretable yield," is recognized as interest income over the life of the pool of loans.

(i) Allowance for Credit Losses (ACL)

The allowance for credit losses is established as credit losses are estimated through a provision for credit losses charged to earnings. Loan losses are charged against the allowance when management believes the non-collectability of a loan balance is confirmed. Provisions for credit losses are charged to operations in amounts sufficient to maintain the allowance for credit losses at a level considered adequate to cover expected credit losses in the loan portfolio.

On October 1, 2023, the Organization adopted Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* ("CECL"), applying the modified retrospective method to all financial assets measured at amortized cost. Unlike the previous standard under ASC 310, which delayed loss recognition until a loss was deemed probable, CECL requires management to assess expected credit losses based on relevant information, including historical data, current conditions, and reasonable, supportable forecasts that impact the collectability of the reported amounts. See note 2(u) for additional disclosures related to the impact of the adoption of the new guidance on the Organization's consolidated financial statements.

The Organization estimates credit losses using relevant information, from internal and external sources, relating to past events, historical credit losses, current conditions, and reasonable and supportable forecasts.

Allowance for Credit Losses - Loans

The Organization has an internal credit monitoring process which includes the grading of loans' credit risk on a quarterly basis. In the number-based internal rating system, a '1' rated loan represents the highest quality/lowest credit risk and '6' rated loan represents the lowest quality/highest credit risk. The Organization segregated its portfolio into the following portfolio segments:

- Loans Risk Rated 1-2
- Loans Risk Rated 3-4
- Loans Risk Rated 5-6

For Loans Risk Rated 1-2 and Loans Risk Rated 3-4, the Organization utilizes a weighted average remaining maturity (WARM) methodology to estimate an expected credit loss. Key inputs into this calculation include, an annualized historical loss rate, an annualized historical prepayment rate, the weighted average interest rate of the portfolio segment, and the weighted average remaining contractual maturity of the portfolio segment. The Organization elected to use a ten-year lookback period for the WARM method calculation historical data. The average annual historical loss and prepayment rate may be adjusted by management based on current or forecasted economic factors. The WARM method amortizes each portfolio segment over the remaining weighted average contractual maturity of the loans within each portfolio segment. The remaining contractual life for each loan is adjusted for scheduled payments and expected prepayments. The average annual loss rate is applied to the amortization table to determine an expected credit loss total for each portfolio segment.

(Continued)

**COMMUNITY LOAN FUND OF NEW JERSEY, INC.
AND SUBSIDIARIES**

Notes to the Consolidated Financial Statements

September 30, 2024 and 2023

Loans Risk Rated '5' and '6' were excluded from the overall WARM methodology and instead, were analyzed individually under CECL as such loans were rated with a higher credit risk. Loans Risk Rated '5' and '6' are considered "collateral-dependent" financial assets when the loan is secured by real estate and the Organization serves a primary lienholder. The Organization has elected to adopt the practical expedient for collateral dependent financial assets whereby the Organization has determined that foreclosure of the collateral is probable and/or where the borrower is experiencing substantial financial difficulty. This expedient allows the Organization to measure the ACL based on the difference between the fair value of the collateral and the amortized cost basis of the collateral dependent asset as of the measurement date. Repayment is expected to be provided substantially through the operation or sale of the collateral. Fair value is calculated based on the estimated fair value of the collateral less estimated costs to sell.

Off-Balance Sheet Credit Exposures

CECL applies to unfunded lending commitments that are unconditionally cancelable. For unconditionally noncancellable unfunded commitments, the Organization establishes reserves for expected future credit losses and are reflected as a liability on the Organization's consolidated statements of financial position. In determining this reserve, the Organization applies the WARM methodology to such commitments that are likely to be funded over the estimated contractual maturity of the respective commitment. The Organization applies the same annual loss rate and prepayment rate utilized for the Loans Rated 3-4 portfolio segment to its WARM methodology for such unfunded commitments. A weighted average remaining contractual maturity and interest rate is calculated based on the terms of the unfunded commitments. Changes to the liability are recorded through the provision for credit losses in the consolidated statement of activities.

Other Assets

Included in other assets and other current assets are certain financial assets subject to the credit loss guidance under CECL. The Organization evaluates these assets for expected credit losses on an individual basis and considers historical loss experience, current conditions, and reasonable and supportable forecasts of future economic conditions.

Purchased Credit Deteriorated (PCD) Loans

CECL replaces the concept of purchased credit impaired ("PCI") assets and introduces the concept of PCD assets. The Organization adopted CECL on October 1, 2023, on a modified retrospective basis. In accordance with the guidance, the Organization's PCI assets, previously accounted for under ASC 310-30, are now accounted for as PCD assets upon adoption. CECL requires PCD assets to be recognized at their purchase price plus the allowance for credit losses expected at the time of acquisition. ASU 2016-13 also requires that financial assets, including PCD assets, should be written off when they are deemed uncollectible. Changes (favorable and unfavorable) in expected cash flows associated with the PCD assets are recognized in the current period's earnings by adjusting the present value of the changes in expected recoveries. The adoption of CECL did not have a material impact on the Organization's accounting for an allowance for credit losses on PCD loans.

September 30, 2024 and 2023

(j) Real Property Held for Sale

The Organization acquires certain real properties either through purchase or foreclosure which it holds, improves and repairs, and then either sells or rents. Such properties are valued at the lower of cost or fair value as determined by appraisals, and are \$13,893,582 and \$13,764,306 at September 30, 2024 and 2023, respectively. Revenues related to the sale will be recognized when the entity satisfies the performance obligation of the sales contract by transferring the property to the buyer.

(k) Fixed Assets

Fixed assets are carried at cost less accumulated depreciation. Contributed assets are recorded at fair value at the date of the gift. Maintenance and minor repair costs are expensed as incurred. Building, improvements, furniture, and equipment are depreciated on a straight-line basis over their estimated useful lives.

<u>Description</u>	<u>Estimated life</u>
Computers and equipment	3 years
Buildings and improvements	40 years

(l) Other Assets

Other assets include rent receivables, management fee receivables, advances to NMTC entities, miscellaneous receivables and mortgages. Those assets that are expected to be realized within one (1) year are recorded in other current assets. All other items are recorded in other assets in the consolidated statements of financial position.

(m) Funds Held in Trust, Escrows, and Other

Funds held in trust, escrows, and other are held in high-credit quality financial institutions. Funds held in trust, escrows, and other include escrow deposits. The cash related to these funds is included in restricted cash and amounts to approximately \$5,146,000 and \$5,104,000 at September 30, 2024 and 2023, respectively.

Funds held in trust also include third-party resources entrusted to the Organization's oversight, generally for its Third Party Managed Assets programs. The Organization does not record the loans receivable associated with these programs in its consolidated financial statements as its responsibility is limited to servicing and/or administering the loans. The cash related to these programs that will be returned within one (1) year is included in cash and cash equivalents and amounts to approximately \$1,009,000 and \$841,000 at September 30, 2024 and 2023, respectively. The cash related to these programs that will be returned in more than one (1) year is included in restricted cash and amounts to approximately \$3,840,000 and \$3,605,000 at September 30, 2024 and 2023, respectively.

There are four (4) programs that advance funds with conditions to the Organization. The cash related to these programs amounts to approximately \$1,018,000 and \$1,197,000 and is included in restricted cash at September 30, 2024 and 2023, respectively.

Notes to the Consolidated Financial Statements
September 30, 2024 and 2023

Approximately \$4,021,000 and \$4,359,000 of funds held in trust were used to renovate real property held for rental at September 30, 2024 and 2023, respectively. The revenue related to these programs will be recognized when the conditions are met, which is generally when the property is leased to a low- or moderate-income tenant for a specific time period.

(n) *Unearned Fee Income*

Commitment fees are recorded as unearned fee income when received. The deferred commitment fees are then amortized and recorded as commitment fee income based on the life of the loan. The current portion of unearned fee income is included in accounts payable and accrued expenses in the accompanying consolidated statements of financial position.

(o) *Contributions, Gifts, and Grants*

Contributions, gifts, and grants are reported in the accompanying consolidated financial statements at their estimated fair value at date of receipt or binding commitment. As referenced in 2(b), the Organization records contributions and grants as with donor restrictions or without donor restrictions, depending on the existence and/or nature of donor restrictions or conditions. A contribution is conditional if the agreement includes both a barrier that must be overcome for the recipient to be entitled to the assets transferred and a right of return for the transferred assets or a right of release of the promisor's obligation to the transferred assets. Conditional promises to give are not recognized until they become unconditional, that is, when the barriers on which they depend are met. However, if a restriction is fulfilled in the same time period in which the contribution or grant is received, the Organization reports the support as without donor restriction. Unconditional promises to give are recognized as revenues or gains in the period received. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value of their net realizable value, using risk-adjusted interest rates applicable to the years in which the promises are received to discount the amounts.

Contributions of donated noncash assets are recorded at their estimated fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair value in the period received.

(p) *Leases*

The Organization classifies leases as either operating or financing depending on the terms and conditions set forth in the contract at the inception of the lease. In the consolidated statements of financial position, right-of-use assets represent the Organization's right to use the underlying assets for the lease term and lease liabilities represents the Organization's obligation to make lease payments arising from the leases. Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. Lease expense for minimum lease payments is recognized on a straight-line basis over the lease term. The discount rate is based on a risk-free rate using a period comparable to the lease term.

(q) Income Taxes

CLFNJ, Lending Partners, Supportive Needs, Mills, UWNNJ and CAPC are exempt from federal income taxes under Section 501(c)(3) of the Code. As nonprofit entities, they are also exempt from New Jersey corporate income taxes.

University Ventures is a for-profit corporation with federal net operating loss carryovers of \$450,454 that may be offset against future taxable federal income. Given the history of losses for University Ventures, a full valuation allowance has been taken for federal and state deferred tax assets.

306 MLK, CAPC ASF #2, CAPC USA, ESBI, CHS-CAPC and LMI are LLCs treated as partnerships for tax purposes and, as such, the income or loss generated from the LLC is reported by the members on their respective returns.

NJCC MM, Fund #4 and Fund #5 are LLCs treated as corporations for tax purposes and, as such, the income or loss generated from the LLC is reported by the members on their respective returns.

CAPAJC 3, CAPC-ARF, CAPC-ARF II, CAPC-ARF III, CAPC Washington, Property Management, CAPC Construction, Brokerage, CAPC 4th Ave, E-Port 1, Fund II Invest, Southward Neighborhood, Southward, Tampa #1 and Fund #1 (sole member of these entities is CAPC), 151 MLK, NCC III, NCCH, Mortgage Holdings, 545 West Broad, Supportive Housing, ET Library and Shared (sole member of these entities is CLFNJ), CAPC AMG, USA Fund II, 60 South, Remsen, Pledgor and Pledgor II are single-member LLCs treated as a disregarded entity with respect to its sole member, and each member is exempt under Code Section 501(c)(3).

CAPC ASF #1 was a single member LLC owned by CLFNJ in 2017 and was considered a disregarded entity. In 2018, 19.97% interest in CAPC ASF #1 was purchased by an outside organization and is now treated as a partnership.

CAPC SFR was a single member LLC owned by CAPC in 2020 and was considered a disregarded entity. In 2021, 40.00% interest in CAPC SFR was purchased by an outside organization and is now treated as a partnership.

NJCC recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount of benefit that is greater than 50.00% likely to be realized upon settlement. Changes in measurement are reflected in the period in which the change in judgment occurs. NJCC did not recognize the effect of any income tax positions in either 2024 or 2023.

(r) Functional Allocation of Expenses

The cost of providing various programs and other activities has been summarized on a functional basis in the consolidated statements of activities. Costs are allocated between program services, management and general, and fundraising based on an evaluation of the related benefits. Interest expense and provision for loan losses are not included in operating expenses in the consolidated statements of activities but are considered to be program activities. For description of program activities, see note 1 of the consolidated financial statements.

(s) Operating Measure

Nonoperating activity includes changes in noncontrolling interest in subsidiaries, gains or losses on investments, and other nonrecurring items.

(t) Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates in the consolidated financial statements include valuations of investments, allowance for loan losses, and recognition and measurement of real property held for sale. Actual results could differ from those estimates.

(u) New Accounting Standard Adopted

In June 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, that changes the impairment model for most financial assets and certain other instruments. For receivables, loans and other instruments, entities are required to use a new forward-looking “expected loss” model that generally will result in the earlier recognition of allowance for losses. Under the standard, disclosures are required to provide users of the consolidated financial statements with useful information in analyzing an entity’s exposure to credit risk and the measurement of credit losses. Financial assets held by the Organization that were most impacted and subject to the guidance in Topic 326 were loans receivable. The Organization adopted the standard effective October 1, 2023, using the modified retrospective transition method.

The impact of adoption of ASC Topic 326 on the Organization’s consolidated statement of financial position as of October 1, 2023, was as follows:

	As previously reported	Impact of adoption of ASC Topic 326	As adjusted
Allowance for credit losses – loans receivable	\$ 7,401,204	(2,587,633)	4,813,571
Allowance for credit losses – other current assets	—	4,090,649	4,090,649
Allowance for credit losses – other assets	—	47,619	47,619
Allowance for credit losses – unfunded commitments	—	1,014,535	1,014,535
Net assets without donor restrictions	\$ 40,963,291	(2,565,170)	38,398,121

(3) Loans Receivable

The Organization, directly or through agreements with other entities, provides credit facilities primarily in the form of loans receivable.

(a) Community Loan Fund

Loans are primarily to nonprofit organizations, although loans are also made to for-profit corporations, partnerships, and individuals for business purposes. Loans are generally for terms of three months to seven years, unless there is specific capital that allows for longer-term lending.

At September 30, 2024, there were no variable rate loans. At September 30, 2024, fixed rate loans of \$119,359,418 had interest rates ranging from 1.00% to 9.50%. Included are loans for the Garden State Relief Fund that are 0.00% for the first 6 months and switch to 3.00% thereafter.

At September 30, 2023, there were no variable rate loans. At September 30, 2023, fixed rate loans of \$107,856,659 had interest rates ranging from 1.00% to 9.50%. Included are loans for the Garden State Relief Fund that are 0.00% for the first 6 months and switch to 3.00% thereafter.

At September 30, 2024, there were five (5) loans classified as nonaccrual and 90 days past due with a total balance of \$54,387.

At September 30, 2023, there were fifteen (15) loans classified as nonaccrual and 90 days past due with a total balance of \$4,309,860.

On a case-by-case basis, the Organization may agree to modify the contractual terms of a borrower's loan to assist customers who may be experiencing financial difficulty, as well as preserve the Organization's loan position in the loan. If the borrower is experiencing financial difficulties and a concession has been made at the time of such modification, the loan is classified as a TDR loan.

All TDRs are classified as impaired loans, which are individually evaluated for impairment. At September 30, 2024 and 2023, there were twelve (12) loans with balances that totaled \$4,792,158 and twenty-three (23) loans with balances that totaled \$2,939,628, respectively, that were considered TDR loans.

(b) Proprietary Managed Assets – NPF

At September 30, 2024, this loan bear interest at an annual rate of 5.75% and is either unsecured or, if applicable, secured by the assets financed. At September 30, 2024, the loan amounted to \$36,170.

At September 30, 2023, these loans bear interest at an annual rate of 5.75% to 6.50% and are either unsecured or, if applicable, secured by the assets financed. At September 30, 2023, these loans amounted to \$2,098,879.

(c) Camden Power

At September 30, 2024 and 2023, the outstanding loan has a balance of \$0 and \$114,432, respectively, and bears interest at 4%. The loan matured on June 1, 2024.

(d) University Ventures

University Ventures had a \$500,000 loan receivable from Red Restaurant Ventures, LLC (Red) under a four-year credit facility at 13.50% interest. In May 2011, Red filed for Chapter 11 bankruptcy. University Ventures performed a lien search and noted that they are the only secured party. As part of the bankruptcy proceedings, Red was required to make monthly payments of \$2,000, which Red did sporadically in 2019. After careful consideration, the loan was written off in 2020.

Since 2019, a total of three (3) new loans bearing interest at an annual rate of 6.50% to 7.50% were added for entities unrelated to Red Restaurant Ventures. At September 30, 2024 and 2023, these loans amounted to \$1,391,917 and \$1,261,583, respectively.

(e) Lending Partners

Loans receivable are primarily to nonprofit organizations and for-profit corporations and partnership entities. All loans are collateralized by liens on the assets financed.

Fixed rate loans are generally for twelve (12) to two hundred fifty-eight months (258). At September 30, 2024 and 2023, fixed rate loans bear interest at 4.50% to 9.25% per annum and amounted to \$22,734,298 and \$22,587,444, respectively.

At September 30, 2024 and 2023, there was one (1) loan considered as TDR loan. The loan has outstanding balance of \$953,364 and \$1,022,973, as of September 30, 2024 and 2023, respectively.

(4) Allowance for Credit Losses

Total	\$ <u>128,629,576</u>	<u>210,927</u>	<u>5,078,494</u>	<u>133,918,997</u>

The Organization utilizes a WARM methodology to estimate an ACL for Loans Risk Rated 1-2 and 3-4. For Loans Risk Rated 5-6, the Organization used a special identification method to individually analyze each loan for collectability. Most loans in this category are considered collateral-dependent and an allowance is estimated based on the principal balance outstanding, less fair value of the collateral, plus estimated selling costs.

A summary of WARM methodology inputs as of the CECL Adoption Date of October 1, 2023 are shown in the table below:

	Annualized Loss Rate	Annualized Prepayment Rate	Weighted Average Remaining Maturity (Years)	Weighted Average Interest Rate
WARM Method:				
Loans Risk Rated 1-2	0.3%	4.7%	18.6	5.8%
Loans Risk Rated 3-4	0.3%	4.7%	8.2	5.7%

(d) Unfunded Commitments

Unfunded noncancelable commitments are within scope of CECL and the Organization believes that unfunded noncancelable commitments share similar risk characteristics to a Loans Risk Rated a '3' or '4'. As a result, the Organization applied the same estimated annualized loss rate and prepayment rate as Loans Risk Rated a '3' or 6' to the unfunded commitment WARM model calculation. As of September 30, 2024 and October 1, 2023 (CECL Adoption Date), the Organization had unfunded noncancelable commitments of \$37,788,741 and \$65,484,038, respectively. An allowance for credit losses of \$296,400 and \$1,014,535 was recorded in other liabilities on the consolidated statements of financial position at September 30, 2024 and October 1, 2023, respectively.

(5) Purchased Credit Deteriorated Loans Held for Investments

(7) Investments and Fair Value Measurements

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quotes prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset and do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

The following is a description of the valuation methodologies used for the Organization's investments measured at fair value and included in the fair value hierarchy table. There have been no changes in the methodologies used for periods presented in these consolidated financial statements.

Certificates of deposit: Valued based on yields currently available on comparable securities of issuers with similar credit rates.

(9) Grants

(a) Credit Enhancement Grant

On June 13, 2006, the Organization received a credit enhancement grant from the U.S. Department of Education, which was recognized as donor restricted revenue at that time. The Organization was awarded \$8,150,000 to use as credit enhancement for the financing of current and future charter schools. The project period began on August 10, 2009 and ends on the date on which all of the grant funds and earnings thereon have been expended for eligible grant project purposes or when financing supported by the grant project has been retired, whichever is later. The grant allows the Organization to also use the investment income earned on the award. In July 2016, the Organization received an additional credit enhancement grant from the U.S. Department of Education for \$8,000,000 which was recognized as donor restricted revenue in the 2016 consolidated statement of activities. For the years ended September 30, 2024 and 2023, the net investment return was \$819,541 and \$298,454, respectively. At September 30, 2024 and 2023, \$1,968,308 and \$2,016,545, respectively, has been used to credit enhance loans issued by the Organization to charter schools and \$547,766 has been used to credit enhance loans issued by outside organizations. As of September 30, 2024 and 2023, \$15,880,269 and \$14,591,286, respectively, are available for credit enhancements.

(b) Supportive Housing Fund Grant

In 2017, CLFNJ received an \$8,000,000 grant from Goldman Sachs to be used to finance loans to borrowers to acquire and rehabilitate affordable supportive housing units in New Jersey. These funds were combined with a \$7,000,000 loan from an affiliate of the grantor to establish a \$15,000,000 revolving fund that will finance up to 80 units. The grant funds were committed to eligible project borrowers by June 21, 2020. In 2024 and 2023, respectively, \$5,371,813 and \$5,596,258 were used to finance loans.

Notes to the Consolidated Financial Statements
September 30, 2024 and 2023

In 2020, the \$7,000,000 loan expired and is no longer being used, therefore there is no timeline for disbursement. New loans are funded 50.00% from the \$8,000,000 grant and 50.00% from CLFNJ's own sources of capital. As of September 30, 2024 and 2023, \$2,628,187 and \$2,403,742, respectively, are available for lending.

(c) *THRIVE South Jersey Initiative Grant*

In 2019 and 2017 respectively, CLFNJ received a \$1,600,000 and \$1,500,000 grant from the Pascal Sykes Foundation to support financing of businesses in eligible areas of Atlantic, Cumberland, Gloucester and Salem counties, as part of CLFNJ's THRIVE South Jersey Initiative. Pascal Sykes Foundation provided two grants totaling \$4,100,000 in 2015 to support community and economic development via the THRIVE South Jersey Initiative. The unexpended portion of all grants totaled \$63,537 and are included in net assets with donor restrictions as of September 30, 2024 and 2023.

(d) *Pascal Sykes Foundation Grant*

In 2020, \$2,900,000 was received from the Pascal Sykes Foundation. The grant is to be used for loans to small businesses and nonprofits located in the South Jersey market area negatively impacted by the COVID-19 pandemic. The grant is allocated to three sectors as follows; \$100,000 to the African American Chamber of Commerce Partnership; \$1,475,000 to THRIVE South Jersey Initiative; and \$1,325,000 to the Garden State Relief Fund in the South Jersey Area. The unexpended portion of the grant totaled \$204,045 and \$211,715 and are included in net assets with donor restrictions at September 30, 2024 and 2023, respectively. Additionally, in 2021, the organization received \$1,000,000 grant from the foundation to support the ESBI Fund. The grant funded the ESBI Fund with a \$500,000 equity contribution from CLFNJ and another \$500,000 equity contribution from the African American Chamber of Commerce Partnership. The unexpended portion of the grant totaled \$0 and \$313,541 at September 30, 2024 and 2023, respectively and are included in net assets with donor restrictions.

(e) *NeighborWorks America Grant*

The Organization is a subrecipient of a grant through NeighborWorks America. NeighborWorks America provided a donor restricted grant (corpus to be maintained in perpetuity) in the amount of \$750,000 during the year ended September 30, 2016, for making affordable loans for housing and capital projects. This amount is permanently restricted although proceeds on capital projects, or interest earned, over and above corpus may be transferred to net assets without donor restrictions furthering the Organization's mission. Additionally, NeighborWorks America may authorize amounts to be transferred to net assets without donor restrictions. In 2020, \$343,000 was authorized to be transferred resulting in no remaining unexpended funds. However, should the Organization become defunct, all remaining grant funds, interest earnings, capital project proceeds, and the loan and capital projects portfolios representing the use of these funds will revert to NeighborWorks America. Additionally, NeighborWorks America provided unrestricted grants totaling \$550,250 and \$563,750 during the years ended September 30, 2024 and 2023, respectively.

(a) Notes payable of the Community Loan Fund division represent loans by approximately 51 individuals, religious organizations, foundations, units of government and financial institutions in principal amounts ranging from \$500 to \$10,000,000. These notes bear interest at rates ranging up to 7.60%, payable at varying maturities of one to ten years through 2041. The notes are unsecured.

These loan agreements are subject to financial covenant clauses that the Organization is required to meet. The Organization did not meet certain financial covenants under two of its loan agreements. For the first loan agreement, the Organization received a waiver of the financial covenant from the lender on September 30, 2024, for which the waiver is effective from such date through October 1, 2025. The outstanding balance is presented as a noncurrent liability at September 30, 2024. For the second loan agreement, the Organization received a waiver of the financial covenant from the lender on January 9, 2025. The outstanding balance is presented as noncurrent liability at September 30, 2024.

Related to some of this long-term debt, the Community Loan Fund has entered into an interest rate swap agreement. The agreement was entered into on May 21, 2024, has a current notional amount of \$8,414,588 and a maturity date of June 1, 2029. As of September 30, 2024, the Community Loan Fund

is receiving a fixed rate of 6.095% and paying a floating rate of 6.600%, resulting in a fair value of (\$267,287).

- (b)** Community Loan Fund had a \$5,000,000 credit facility from an insurance company to support its lending activities. On September 28, 2015, NJCC closed on a \$28,000,000 bond program as part of the US Treasury CDFI Bond Guarantee Program that has an outstanding balance of \$23,251,957 at September 30, 2024. These funds will mature on March 15, 2045 with interest rates ranging from 1.31% to 3.60%. Also, on November 4, 2019, NJCC closed on a \$25,000,000 bond program as part of the US Treasury CDFI Bond Guarantee Program that has an outstanding balance of \$23,595,168 at September 30, 2024. These funds will mature on March 15, 2049 with interest rates ranging from 2.02% to 5.43%. This program is designed to provide CDFIs with long term fixed rate affordable capital they need to spur development in low income and under resourced communities. The Supportive Housing Grant which has an interest rate of 5.50% has a balance of \$1,775,464 at September 30, 2024.

These loan agreements are subject to financial covenant clauses that the Organization is required to meet. The Organization did not meet a certain financial covenant under the loan agreements with Opportunity Finance Network (OFN) under the US Treasury CDFI Bond Guarantee Program for the quarter ended September 30, 2022; however, on January 31, 2023, OFN agreed to permanently waive such financial covenant effective from September 30, 2022.

The Organization did not meet a certain financial covenant under the loan agreements with Opportunity Finance Network (OFN) under the US Treasury CDFI Bond Guarantee Program for the quarter ended September 30, 2024; however, on January 17, 2025, OFN issued a waiver on the financial covenant for the period of September 30, 2024 to October 1, 2025. The outstanding balance is presented as a current and noncurrent liability at September 30, 2024 and 2023.

- (c)** The Community Loan Fund division has an aggregate of \$15,500,000 of equity equivalent investments at September 30, 2024. \$500,000 of the equity equivalent investments will mature on June 2025 with a rate of 1.25%, \$5,000,000 will mature on August 2025 with a rate of 3.50%, \$2,000,000 will mature on June 2026 with a rate of 2.50%, \$1,500,000 will mature on June 2029 with a date of 3.00%, \$3,000,000 will mature on June 2030 with a rate of 2.00% and \$2,000,000 will mature on May 2030 with a rate of 0.00% until May 2024. A \$3,000,000 equity equivalent investment with a rate of 3.50% that matures in December 2029 was allocated between CLFNJ and CAPC with each entity receiving \$1,500,000. The equity equivalent investments are subordinated and junior in right of payment to all other obligations of CLFNJ.
- (d)** Notes payable of the NPF division represent recoverable grants from financial institutions. These consist of \$41,000 in noninterest bearing notes and \$150,000 in interest bearing notes with a rate of 2.00%. They have stated maturities from October 31, 2024 to fiscal year 2025. The notes are unsecured.
- (e)** CAPC has an aggregate of \$15,605,395 in credit facilities, with interest rates ranging from 3.75% to 8.20% to support its activities. Maturities vary from April 2026 to January 2051. These notes are secured by properties purchased by CAPC.

Notes to the Consolidated Financial Statements
September 30, 2024 and 2023

These loan agreements are subject to financial covenant clauses that the Organization is required to meet. The Organization did not meet a certain financial covenant under one of its loan agreements; however, on January 27, 2025, the Organization received a waiver of the financial covenant from the lender, for which the waiver is effective from September 30, 2024 through October 1, 2025. The outstanding balance is presented as a noncurrent liability at September 30, 2024 and 2023.

Related to one of these credit facilities, CAPC has entered into an interest rate swap agreement. The agreement was entered into on December 4, 2020, has a current notional amount of \$3,446,121 and a maturity date of January 1, 2031. As of September 30, 2024, CAPC is receiving a fixed rate of 8.09651% and paying a floating rate of 4.05%, resulting in a fair value of \$400,437.

- (f) A \$3,000,000 equity equivalent investment with a rate of 3.50% that matures in December 2029 was allocated between CLFNJ and CAPC with each entity receiving \$1,500,000.
- (g) CAPC has various other loans from financial institutions and individuals bearing interest rates up to 8.00%. These loans have maturity dates ranging from November 2024 to November 2039 and are secured by properties financed.

These loan agreements are subject to financial covenant clauses that the Organization is required to meet. The Organization did not meet a certain financial covenant under one of its loan agreements; however, on January 24, 2025, the Organization received a waiver of the financial covenant from the lender, for which the waiver is effective from September 30, 2024 through October 1, 2025. The outstanding balance is presented as a noncurrent liability at September 30, 2024 and 2023.

- (h) CAPC secured a 20-year loan in the amount of \$11,700,000 payable to a Community Development Entity. This debt requires interest only payments until September 2025 at a rate of 0.70%. The loan matures in September 2038 and is secured by substantially all the assets acquired by the Organization from the project loan proceeds. In April 2023 CAPC participated in a New Markets Tax Credit Program to provide funds for investment in qualified low-income investments. This program required the creation of HPN Leverage VIII, LLC (HPN). As a result, CAPC borrowed \$3,570,000 from a Community Development Financial Institution to finance a portion of its investment in HPN. Principal payments in the amount of \$650,000 were made in 2023. This financing matures in April 2026 with a fixed rate of 6.50%. Additionally, CAPC secured a 20-year loan in the amount of \$7,760,000 payable to a Community Development Entity. This debt requires interest only payments until May 2030 at a rate of 0.71%. The loan matures in April 2043 and is secured by substantially all the assets acquired by the Organization from the project loan proceeds.
- (i) Lending Partners has an aggregate \$16,500,000 of fixed rate credit facility which expired on April 30, 2018. The rates range from 3.25% to 8.17%. Individual notes underlying the credit facility mature at various times through April 2028 and the amount outstanding at September 30, 2024 is \$10,194,989.
- (j) Lending Partners has an aggregate \$1,000,000 of equity equivalent investments. The equity equivalent investments, evidenced by notes, have a stated maturity of ten years; however, upon the stated maturity the term shall automatically be extended for a period of one additional year, and thereafter each such extended maturity date shall automatically be extended for one additional year, unless the

Financial instruments that potentially subject the Organization to credit risk include loans receivable amounting to \$143,521,803 and \$133,918,997 at September 30, 2024 and 2023, respectively. As of September 30, 2024 and 2023, \$66,475,608 and \$71,905,720, respectively, of the Organization's loans were to nonprofits, representing approximately 46.32%% and 53.69%, respectively, of the loans receivable reported in the consolidated statements of financial position. Ninety eight percent of the Organization's outstanding loans receivable are to entities located in the State of New Jersey and the two percent are to entities located in the State of Pennsylvania.

The Organization maintains cash balances at several financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. In 2024 and 2023, the Organization's cash balances exceeded the insured amounts. Management monitors the financial strength of the financial institutions.

Notes to the Consolidated Financial Statements

September 30, 2024 and 2023

(18) Related Party Transactions

As of September 30, 2024, and 2023, the Organization had notes payable to various employees or current members of the board of directors totaling \$0 and \$51,210, respectively. Interest of \$398 and \$1,615 was paid to these individuals. Contributions were made to the Organization by various employees or current members of the board of directors in the amount of \$1,300 and \$2,452 during the years ended September 30, 2024, and 2023, respectively.

As of September 30, 2024, the board of directors approved \$1,000,000 in forgiveness of accounts payable from CAPC to CLFNJ. The intercompany loan is eliminated in consolidation, and there is no effect to the consolidated financial statements.

(19) Employee Benefit Plans

The Organization sponsors a qualified 401(k) profit sharing plan for all eligible employees. The plan allows eligible employees to elect to defer a portion of their annual compensation and have those amounts contributed to the plan. Among other things, the plan provides for (a) discretionary matching by the Organization of a percentage of employees' contributions; (b) discretionary employer contributions of a percentage of salary; (c) normal retirement age of 65; and (d) vesting in Organization contributions after specified years of service, as defined in the plan. The Organization's contributions to the plan reflected in the accompanying consolidated statements of activities for the years ended September 30, 2024 and 2023 was approximately \$161,000 and \$145,000, respectively.

(20) Subsequent Events

The Organization has evaluated events subsequent to September 30, 2024 and through the date of January 28, 2025, which is the date the consolidated financial statements were available to be issued. The Organization has determined that there are no subsequent events which require disclosure in the consolidated financial statements.

Notes to Schedule of Expenditures of Federal Awards

Year ended September 30, 2024

(1) Basis of Presentation

The accompanying schedule of expenditures of Federal awards include the Federal grant activity of the Community Loan Fund of New Jersey, Inc. and Subsidiaries (the Organization) and is presented on the accrual basis. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Federal Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the Organization's 2024 consolidated financial statements.

(2) Credit Enhancement for Charter School Facilities

The U.S. Department of Education (U.S. DOE) has awarded total grants of \$16,150,000 to the Organization to credit enhance the loans made by financial institutions to stimulate the financing of charter schools. The grant funds are to remain invested in separate grant reserve accounts in accordance with the requirements of the grant. Such financial assistance is considered federal awards expended based on the amounts in the reserve accounts at the beginning of the grantee fiscal year; plus any funds drawn down plus investment earnings received in the grantee's fiscal year to add to the reserve account; less any payments resulting from the credit enhancements provided. The reserve account balance as of September 30, 2024 is \$18,396,343, consisting of the grant balance of \$16,150,000 and accumulated net investment earnings of \$2,246,343.

As of September 30, 2024, \$2,516,075 has been used to credit enhance loans to charter schools and outside organizations and \$15,880,268 is available to use as credit enhancements in future years.

(3) Loan and Loan Guarantee Programs

The Organization is responsible for certain aspects of the following loan and loan guarantee programs. The Organization had the following loan and loan guarantee balances outstanding at September 30, 2024.

Program title	Federal assistance listing number	Amount outstanding
HOME Investment Partnerships Program	14.239	\$ 3,245,692
Community Development Financial Institutions Bond Guarantee Program	21.014	45,793,437

**Independent Auditors' Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards***

The Board of Directors
Community Loan Fund of New Jersey, Inc. and Subsidiaries:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Community Loan Fund of New Jersey, Inc. and its subsidiaries (the Organization), which comprise the Organization's consolidated statement of financial position as of September 30, 2024, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated January 28, 2025. The report contained an unmodified opinion on the consolidated financial statements with an emphasis of matter paragraph regarding the Organization's adoption of Accounting Standards Update No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no

instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditors' Report on Compliance for Each Major Federal Program;
Report on Internal Control Over Compliance; and Report on Schedule of
Expenditures of Federal Awards Required by the Uniform Guidance**

The Board of Directors
Community Loan Fund of New Jersey, Inc. and Subsidiaries:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Community Loan Fund of New Jersey, Inc. and Subsidiaries' (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2024. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS,

Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2024-001 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Organization is also responsible for preparing a corrective action plan to address each audit finding included in our auditors' report. The Organization's response and corrective action plan were not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response or the corrective action plan.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the consolidated financial statements of the Organization as of and for the years ended September 30, 2024 and 2023, and have issued our report thereon dated January 28, 2025, which contained an unmodified opinion on those consolidated financial statements with an emphasis of matter paragraph on the Organization's adoption of Accounting Standards Update No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. Our audits were performed for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards for the year ended September 30, 2024 is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the 2024 consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2024 consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 consolidated financial statements or to the 2024 consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the schedule of expenditures of federal awards for the year ended September 30, 2024 is fairly stated in all material respects in relation to the 2024 consolidated financial statements as a whole.

Schedule of Findings and Questioned Costs
Year ended September 30, 2024

Finding Type: Significant deficiency

Criteria

CFR 200.502(a) requires expenditures be recorded in the period they occur.

Additionally, 2 CFR 200.303(a) states that non-federal entities must establish and maintain effective internal control over federal awards that provide reasonable assurance that the non-federal entity is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award.

Condition and Context

During our test work over the Schedule of Expenditures of Federal Awards (SEFA), we noted the Organization incorrectly reported expenditures, in the amount of \$693,023, incurred in the fiscal year ended September 30, 2023 on the 2024 SEFA. CFR 200.502(a) requires expenditures be recorded on the SEFA in the period they occur. The 2023 expenditures were incurred during the performance period of the grant and were for activities allowed under the grant, therefore there were no questioned costs or noncompliance related to the expenditures. The Organization's internal controls were not designed to detect that the expenditures were not timely reported on the SEFA.

Cause

The significant deficiency arose primarily from a misunderstanding and misapplication of SEFA preparation rules in accordance with CFR 200.502(a), specifically regarding the timing of recording expenditures.

Effect

Failure to properly report expenditures on the SEFA can lead to a missed or incorrect major program determination.

Questioned Costs

None.

Recommendation

We recommend that the Organization strengthen its internal controls to ensure all expenditures are reported on the SEFA in the period incurred to comply with the requirements of CFR 200.502(a).

Views of Responsible Officials

As noted by our auditor, the submitted expenditures were allowable under the grant. The condition exists such that these expenditures were included within the current period SEFA report because that is when they were determined to be applicable, rather than the period when they were actually incurred (the prior period SEFA report). Going forward, management will ensure to report expenditures in the period they were incurred rather than the period they were applied.
